

## General Laborer, Ag

Description: As general labor on the ag side of the company you will have a direct effect on the day-to-day workings of the company. From working in the shop and helping with the maintenance of the equipment to the delivery of products to customers all over the area. This is the springboard that can launch you into a more specified role such as a truck driver, custom applicator, mechanic, or operations manager.

### Requirements:

High School Diploma/GED

Drivers License

Safe driving record proved through MVR.

Clean drug test in accordance with the Dept of Transportation

Pay Rate: \$50,000.00-\$60,000.00 dependent on experience/licenses/endorsements.
